Bus Stops 2008-2009

August 21, 2008

The following is a list of the buses and the stops each bus will service. The bus stops are listed in the order the bus will service them. The pick up time for the first stop is listed.

There have been some changes this year that may pertain to your child for the 2008-2009 school year. Please check the list of bus stops carefully. Some bus stops have been changed from one bus to a different bus, some stops have been added and some have been consolidated. Please locate your child's bus stop, make note of the bus number, and pay close attention to the pick-up time. For the first several weeks, all children should be at their bus stop **five minutes prior to the time designated for the First Stop in order to ensure that they do not miss the bus.**

Bus reminders:

- Your bus stop for middle school may be different than elementary school, sometimes middle school children are expected to walk a little farther to a stop than elementary students.
- All students must have a bus pass to board a bus in the afternoon.
- Replacement bus passes can be purchased for \$2 from Mr. Thanner in the main office.
- Students may only ride their assigned bus; they do not have permission to ride a friend's bus even with a parents note.
- Failure to comply with the bus driver's rules while riding a bus may result in a student's removal from that bus.
