

How to Access Online Accounts for the Baltimore County Public Library

1. Go to Digital Content in BCPS One and click on Baltimore County Public Library.

2. Click on the "Account" tab along the top of the webpage.

3. Click on "Log In Now".

Your Account

4. Enter the "Username" and "Password" in the text boxes provided and click "Log In". The Username that students will use is their **BCPS Student ID#**. This information is given to each student at the beginning of the year, and it can also be found in Schoology by generating a "Grade Report". The **password** for all students will be **0000**.
